

HYDRECO HYDRAULICS AT EXCON SHOW, INDIA

Hydreco Hydraulics, the company of the Diplomatic Group specialized in the design and production of Motion Solutions for Construction & On road vehicles has increased its product range in the Bangalore plant, and participates in the Excon show, the largest Construction Equipment Exhibition in South Asia, scheduled in Bangalore, India, from 17 to 21 May with the new range of external gear pumps & motor (stand K189, hall 1 – Upper Level).

Poole, UK, May 10th 2022 - Hydreco Hydraulics India will be exhibiting at Excon, the largest construction equipment exhibition in South Asia that will take place in Bangalore, May 17-21, 2022 on a 3,00,000 sqm exhibition area, featuring more than 1,500 exhibitors including 350 from abroad and 10 country pavilions.

At the show Hydreco Hydraulics India presents its **indigenously built Gear Pumps, PTOs & Gear Motors** alongside imported Joysticks, control blocks & the legacy of Helical Gear Pumps for mobile applications.

Hydreco's new range of **Aluminium External Gear Pumps**, made in the new production site in Parma, Italy, will also be displayed at the show. The HY series is provided with an aluminium alloy housing, two gear wheels supported by sleeve bearings and cast iron flange and cover. Available as pumps and motors, offers high efficiency and can be applied in standard and heavy duty application, thanks to the high reliability and the accuracy of design and production. The pumps can be supplied as single, or as multiple units with a huge variety of options on flanges, shafts and ports, providing the right setup on each application. Feel free to contact your Hydreco representative to find out more and to get the proper support in your selection.

With the Indian economy on the growth path, the company, emphasizing on the **Make In India initiative**, has invested in manpower and machinery to increase the capacity and range of products. With a strong supply chain in place, the company is well equipped to cater to the increased market demand. Hydreco Hydraulics India caters to both On-Road & Off-Road Hydraulics.

Hydreco Hydraulics team is available for meetings with customers, interested parties at **stand K189, hall 1 – Upper Level**.
