

Technical Data Sheet

CABLE CONTROL KIT

Cable Controls

Developed for operation of equipment on trucks that are not equipped with air, these kits enable PTO's and valves to be operated efficiently from the truck cab.

Product Features

- **Available in 0.5m length increments**
From 1.5 to 6m—no need to cut to the correct length and re-attach fittings.
- **Supplied with all necessary hardware**
For ease of installation.
- **Superior quality cables**
For longer operational life.
